Main Street Concord's Vacant Storefront Display Initiative

Part of Main Street Concord's mission is to enhance the vitality of downtown Concord. Beautifully decorated window displays liven up our streetscape, making downtown a more enjoyable place to shop, dine and spend time. Main Street Concord would like your help in filling empty storefronts with fresh new displays.

Main Street Concord worked with local landlords to place temporary displays in vacant storefront windows. Displays can feature a local store or business, a charity or other civic organization, or an artistic display. This program is open to all downtown businesses, as well as local charities and artists. Displays will be installed for 60 day periods and all displayers must be available to install and de-install their displays under Main Street Concord's supervision at the beginning and end of their 60 day period.

If you are interested in putting on a display, please fill out and return the bottom portion of this flyer along with a brief summary of your plans to Main Street Concord, 15 Pleasant St, Concord, NH 03301 or email it to lherbert@mainstreetconcord.com. Please spread the word about this program to others who may be interested. Have a question? Call Lyndsey at 226.2150 or send a message to the address listed above.

Yes! I am interested in putting a display in a Main Street storefront! My display will promote the following business, charity or artist(s): _____

Contact Name: _____
