## **MAIN STREET CONCORD'S MARKET DAYS & SUMMER MUSIC FESTIVAL EXPANDS TO SATURDAY**

Concord, NH ... Main Street Concord's 34th annual Market Days & Summer Music Festival will take place Thursday, July 17 through Saturday, July 19 in downtown Concord. Executive Director, Nan Hagen said, "One suggestion Main Street Concord has heard consistently throughout the years is to move the event to Saturday. It really makes sense when you look at the number of people who work weekdays".

This popular festival runs daily from 9:00 a.m. to 10:00 p.m. and features great shopping opportunities and good food from over 60 retail vendors. There's fun and entertainment for people of all ages – with dancing and great bands each night. Market Days also gives area non-profit corporations the opportunity to educate the public about their services.

Main Street Concord has just started the planning phase for the Summer Music Festival. The Main Stage line-up is still in negotiations but Hagen promises it will be a stellar line-up featuring a mix of local and regional performers each night.

Market Days & Summer Music Festival is presented by Main Street Concord, Inc., and sponsored in part by Dunkin' Donuts. For additional information call (603) 226-2150.
