Melissa A. Miller

Bicentennial Square, Evening

Main Street Concord, Inc. announces the release of a giclee print by Melissa A. Miller of Concord. A release reception will be held at McGowan Fine Art, 10 Hills Avenue, Concord on November 25th from 5 to 7 PM. The event is free and open to the public to meet the artist and purchase this limited edition print.

Renowned local artist, Melissa A. Miller, has donated an image to be reproduced as a limited edition giclee. The print has been done in collaboration with Evoco LLC, a Sub Division of Capital Offset Co., Inc., in Concord, NH, well known for their quality printing.

“Bicentennial Square, Evening” painted in Ms. Miller’s signature oranges and purples depicts the iconic public square in downtown Concord. The imagery meshes with Main Street Concord’s mission to promote the revitalization of Concord’s downtown area. Only 100 prints will be available for sale with all proceeds going to Main Street Concord. McGowan Fine Art will offer 10% off of framing of the print or 20% donated in the name of the purchaser to Main Street Concord.
